Register.html

The screenshot shows a web browser window displaying a registration form for "RST Enterprise". The browser's address bar is empty. The website's header includes a logo on the left and a navigation menu with links for "Home", "Products", "Blog", "About", and "Contact" on the right. Below the header, the main content area has a large heading "Register" and a subtext "Please fill in this form to create an account." followed by a horizontal line. The form consists of four labeled input fields: "Name", "Phone Number", "Email", and "Password". Each field has a placeholder text: "Enter Name", "Enter Phone no", "Enter Email", and "Enter Password" respectively. The browser's taskbar at the bottom shows the Windows logo, several application icons, and system status icons including network, volume, and battery, along with the time "12:36 PM" and language "ENG".
